

Pony Pals

Horsemanship Lessons for Ages 3 - 7

The Pony Pals lesson program is designed to accommodate younger children who are not yet strong enough to take riding lessons but are interested in learning about horses. Good horsemanship - responsibility for the health and wellbeing of our equine partner - comes first before riding; these lessons teach children that such responsibility is a prerequisite for time in the saddle.

In these lessons, children learn how to safely handle, groom, and care for the lesson ponies. Also covered in these lessons are age- appropriate horsemanship lessons including but not limited to: equine behavior and body language, basic nutrition and daily care, tack and equipment basics, markings and colors, basic anatomy, and more.

Pony Pals lessons are held on Sundays and some Saturdays

Cost: \$75
